

DARTS

Players \ Scores	Standard Darts				Cricket			
	1	2	3	Best of 3	7	17	25	60

Play any of your favorite darts games

Standard

- You get 4 throws to try for as many points as possible per turn.
- At the end of 3 turns the most points wins.
- Play best of 3 rounds (tally each win on the scorecard).

Cricket

- You get 4 throws per turn.
- Throw a bag into each hole 3 times to close out that hole.
- Draw a slash mark (\) for the 1st make.
- Draw a forward slash (/) making an "X" for the 2nd make.
- Circle the "X" for the 3rd make.

Avoid the Hole — Standard Darts

- You get 4 throws to try for as many points as possible per turn.
- Throw at any number to get those points. The bag must remain on the board to score points.
- If a bag goes through a hole you don't get any points for that toss.
- If your bag is on two different numbers at the same time, you get the higher number of points. (Doubles and triples don't apply in this game.)
- At the end of 3 turns the most points wins.
- Play best of 3 rounds (tally each win on the scorecard).

BOWLING

Players \ Scores	Frames										Total	
	1	2	3	4	5	6	7	8	9	10		

Suggested rules

- Just like in real bowling, you want to knock down as many pins as possible.
- You get 4 throws to get as many points as possible per frame.
- If you get a strike it's 20 points plus whatever other points you earned for that frame.

Example frame

- 1st throw: Your bag goes into the 3-pin hole.
- 2nd throw: Your bag goes into the 5-pin hole.
- 3rd throw: Your throw misses all holes.
- 4th throw: Your throw goes into the strike hole.

Total points for the frame = 28
