

FOOTBALL

Teams \ Scores	Quarters							
	1	2	3	4	OT	Game 1	Game 2	Game 3

Suggested rules

- If your 4 throws add up to 100 yards you score a TOUCHDOWN, worth 6 points.
- HAIL MARY TOUCHDOWN can be attempted at anytime for an automatic TOUCHDOWN!
- Every time you gain yards, move down the field (e.g., 20 yards move forward 2 steps; 30 yards move forward 3 steps, 40 yards move forward 4 steps).
- EXTRA POINT try comes after a TOUCHDOWN. From original distance throw the bag into the EXTRA POINT hole for 1 point, or go for 2-POINT CONVERSION inside the HAIL MARY hole.
- If you feel you can't make 100 yards with your 4th throw, you have the option of trying for a FIELD GOAL, or a HAIL MARY throw for a TOUCHDOWN.
- SAFETY will occur if you do not make at least one bag through a hole; your opponent is now awarded 2 points.

Example drive

- 1st throw you make it into the 20 yard hole. Move up 2 steps.
- 2nd throw you make it into the 30 yard hole. Move up 3 steps.
- 3rd throw you make it into the 20 yard hole. Move up 2 steps.
- You've gained 70 yards. Now you have 2 options:
 - 4th throw can be attempted to go for the 30 yard hole to make 100 yards and a TOUCHDOWN.
 - Or... 4th throw you go for the FIELD GOAL.

NOTE: Step lengths need to be determined beforehand, as steps can be longer or shorter for different people.

GOLF

Players	Scores		Front Nine / Back Nine									Round						
	1	10	2	11	3	12	4	13	5	14	6		15	7	16	8	17	9

Play a variety of ways

Just like other Sporthole Games, Golf is true to the game too... *The lowest score wins!*

Traditional

Throw your bags in order, from 4 to 1: DRIVE—SECOND SHOT—CHIP SHOT—PUTT.

- The last hole you make a bag into is your score for that hole.
- Out of your 4 throws, if you don't make a bag into the first hole, you receive 5 points, since you have to earn the 4-point hole.
- Beware of the water... throwing a bag into the water adds a stroke to your score.

Best Ball

- Throw your bags at any hole of your choosing.
- The best hole you make your bag into is your score.

Scramble/Group Play

- Team A plays Team B. Both teams have 2-4 players each. Each member gets 1 or 2 throws per shot, depending on number of players.
- After all players have thrown their first shot, the next hole begins from the best made hole by the player on their team.
- After all 4 throws have been made by all players on both teams, record each teams' score for that hole.
